

Bethel High School ~ Class of 1967

50th Class Reunion

Greetings to all fellow Classmates and Friends,

It seems as though it was just yesterday that we graduated from high school! Yet, while time has brought us so many memorable moments, we are about to experience an even greater moment. We are preparing to celebrate our 50th Anniversary, and we want all our family and friends to share this occasion with us. We will be sharing love, hugs and smiles together. If you love each other now is the time to come out and show your love. Hope to see you at one or all of the events. This is truly going to be an exciting time for everyone, so please don't miss it!!!!
